December 2020

INCOMING TRANSMISSION

Important Stuff

Transporter Room

- The basic information about the chapter and how we operate. Please abide by the rules held herein, and Be Excellent to Each Other.

Reaction Roles

- This is where you sign up for each channel to get involved.
- You can give yourself some extra roles that will let us tag you for certain events or clubs inside the USS Curie and keep us from yelling at everyone all the time for things they might not be interested in. If you don't want to be tagged in announcements for these things, don't worry about picking up the role - you're still more than welcome to chat in their respective channels.
- Don't worry if the message occasionally vanishes and updates with some new options; all your old roles will remain intact even if the number of reactions do change. If you do click it again, don't worry—you'll remain in the group until you click the reaction off again. If you would like one of the new roles when the post does change, though, please feel free to click it!
